

Year 12 Assignment 12

- Download the **zipped folder** from the ICT portal
- Extract/copy the files to a new folder
- Create another folder as your working folder with your student ID as its name
- Open the file **Assignment12.12.pdf** and follow instructions

Thursday May 09, 2013

1. Submit the **assignment as a zipped folder** to the ICT portal by **May 21, 2013**
2. All your files **must** contain your **names** in the **header**
3. Assignments handed in past the deadline will not be considered
4. All assignments are progressive and will be considered for your mid term and end of term grades
5. Be reminded that you are to save the tasks as per the task name eg **Task 14.6**, you will need these task files to attempt and complete forth-coming assignments.
